PASTORS URGED TO WATCH THOSE WHO LEAVE CHURCH

Presbyterians Asked to Join in Keeping Up Attendance. Because of the thousands of members of the Presbyterian Church placed on the suspended lists each year, the Rev. Dr. William Fulton, superintendent of city missions for the Philadelphia Presbytery, and a member of the Permanent Committee on Evangelism of the General Assembly today began sending pamphlets to pastors and church workers throughout the country urging them to apply follow-up methods to bring about a decrease in the number annually placed on the "suspended roll."

During the last five years there were more than a quarter of a million members put on the suspended lists, an average of more than 20,000 persons a year. And because of this, the General Assembly asked the Permanent Committee on Evangelism to co-operate with a Special Committee on Christian Life and Work to try to solve the problem of keeping the men and women in the church.

Advertising appeal to the people of Philadelphia and all of Pennsylvania to speed the sailing of the Food Ship "Orn" to the starving Belgians.

U. S.: "I'm thankful I've got it to give"

—Cartoon by Courtesy of Collier's.

Let us be grateful to a Merciful Providence—that we are in America—that we are at peace with all the world—that Belgium's fate is not ours—that we shall have something (even ever so little) to sit down to on Thanksgiving Day.

For there are hundreds of thousands in Belgium who will have nothing, while we are at plenty—unless we send her food.

Let us give thanks in the good old way of our fathers—with gratitude to our Maker and good will to our fellows.

But let us also Give Thanks in Deeds of Mercy as Well as in Words of Thanksgiving

Belgium is starving. Think of it—a whole nation dying for need of bread! Would you turn aside from a single man whom you knew to be weak unto death or hunger? Rather would you not share with him your last morsel? We—all of us—are on this earth but a few short years—if we are fortunate, three score years and ten. In that short space of time a helping hand for those who need our help is the least we can do. It will be a pleasant thing to remember, when memories are precious, that a starving nation appealed to us not in vain—that we gave our tithes. Next year or in the years to come you, having given, will cherish the thought, "I helped."

The Thanksgiving Ship must have her cargo of mercy. Hunger will not wait; so there must be no delay in her setting out. Send your tithe—little or much—today. The Food Ship "Orn" is expected at her pier on Saturday; she should sail next Tuesday or Wednesday. Send checks to the Philadelphia National Bank, made out to the bank, and marked "For Belgian Food Ship," or bring your contribution to the headquarters in the Lincoln Building.
